<http://laboratoriovivienda21.com/congreso3/index.php/ejes-tematicos>

Author(s)

Filiation (University/Government/Company...)

Occupation

Brief CV (max. 100 words)

E-mail

Postal address:

Article Abstract (max. 400 words; text: Arial 10)

b. Text

Maximum extension 12.000 characters without spaces, approximately 3.000 words, including notes and bibliographic references. Longer articles will not be accepted.

Textual quotations should be enclosed in inverted commas, with regular letter, as well as the titles of articles. References should be indicated as footnotes. References to illustrations should be made from the abbreviation 'fig.', lowercase and parentheses.

In cases where there are more extensive quotations, with more than 200 characters, they shall appear in separate paragraph spacing to the left of 1,5 cm.

c. Structure

The structure of the article may contain a maximum of three levels:

Title - Heading Article

Subtitle – Capital letter separate of the text

Sessions - Lowercase letters and separated of the text

In the article, only two types of fonts may be used: regular and italic. The italics should be used only for the titles of works (monographs, magazines, etc.) or text in another language. When it is necessary to emphasize a word, must be enclosed in quotes. This same feature should be used for quotations.

d. Quotation System

The citation APA Harvard system shall be used.

Example of monograph:

Surname, Name (year). Title in italics. City: Publisher.

e. Illustrations

Each article can have a maximum of 8 images. All material submitted for publication should be free of copyright from the signing of Authorship Rights Charter (already sent along with the article).

The graphic material shall have minimum quality requirements. All material should be sent in digital format (TIFF or JPEG) with a resolution of 300dpi. Attention to the images coming from the internet so they are not very small!

All photos or illustrations should have caption below the image and be numbered in the order they appear in the text. If the images do not have enough quality, the organization and the editorial scientific committee reserve the right to delete them.

Once the article is accepted, its final version (including images) shall be sent before October 2nd 2017, together with the registration payment receipt. Final articles shall be sent in Word or RTF format.

PRESENTATION ARTICLE

The presentation of the article in Congress can be done with graphic support, since all the rooms are equipped with projector, computer and projection screen. Presentations must be sent in advance, before March 15th 2018, to the e-mail: congresoviviendabarcelona@gmail.com

Each presentation will have a maximum duration of 15 minutes . This time will be strictly complied.

The presentation should have minimum quality requirements. The material, sent by e-mail, must be in **PDF format and must not exceed 30 slides**.

These conditions are necessary to guarantee a proper progress during the Congress.

If the submission does not meet the requirements, the directorate and the organizing committee reserves the right not to accept them.
